2014

DPT IVONA Ltd was established in 1994
as a small family business
with only one production line of napkins .

Today , after twenty years of experience in manufacturing
and marketing of hygienic paper products for use in the home
(home program) and professional use (professional
program) , IVONA multifold increase its capacity.

With the modernization of the production process and technological
improvement of production lines and by adjusting the full range of
products to the specific requirements of customers, IVONA gained
position of partner with consumer confidence on the Macedonian
market and region.

In future IVONA continues in the same direction, modernizing
the production process and expand the range, in order to
obtain high quality products tailored to the specific needs and
requirements of our customers in Macedonia and beyond.

Many consumers are assured of quality and
gained confidence in IVONA products.

IVONA is the first Macedonian brand marketers, who twenty years fighting for their place in the market between foreign suppliers and their brands. Today IVONA products can be found in many supermarkets in Macedonia. Besides its own brand successfully collaborate with leading retail chains that produce their own brands of toilet paper, hand towels and napkins. Capacity that has IVONA allows production of standard products, but also many specific products made by specific customer specifications. The high quality of work detect our suppliers, so that from 2014 IVONA become an authorized distributor of raw material (paper in jumbo rolls).

Toilet paper

Our toilet paper is made from 100% cellulose, an innovative technology that makes it incredibly soft and smooth, tailored for the whole family, as well as the specific requirements of each client individually. For each type of professional toilet paper we also possess appropriate holders.

IVONA – chamomile (100% cellulose, 2 plies, 1/8)

Toilet paper made from high quality material and enriched with the delicate scent of chamomile which stands out from other products on the market.

IVONA – peach (100% cellulose, 3 plies, 1/8)

Three-ply toilet paper with top quality, 100% cellulose, with the irresistible aroma of peach and with maximum softness and tenderness.

IVONA – lavender (100% cellulose, 2 plies, 1/24)

Toilet paper made from high quality material and enriched with the delicate scent of lavender, and price affordable for every budget.
